PARENT/GUARDIAN/LEGAL REPRESENTATIVE AUTHORIZATION ON BEHALF OF PATIENT

Permission to share and use your Protected Health Information

My (or my parent/guardian/legal representative's) signature on page 1 of the Patient Start Form ("the Form") authorizes each of my physician and pharmacists (including any specialty pharmacies and other healthcare providers) and each of my health insurers to use and disclose my Protected Health Information ("PHI"), including but not limited to medical records, information related to my medical condition and treatment, financial information, lab values, insurance coverage information, my name, address, and telephone number, to Pharma, Inc., and its agents, contractors, and assignees (together, "Pharma") to enroll me in and contact me (or my parent/guardian/legal representative) about Support, provide case management through telephone or electronic communication to assist with adherence to my medication regimen, and work with third parties to provide community resources and referrals. Third-party vendors, such as specialty pharmacies, may receive financial remuneration in exchange for data, product support services, reimbursement services, etc. This authorization expires 5 years from the date of execution, or 1 year after the date of my last prescription, whichever is later, unless a shorter period is required by state law. I (or my parent/guardian/legal representative) understand that I (or my parent/guardian/legal representative) may refuse to sign this authorization and that my treatment, payment, enrollment, or eligibility for benefits, including my access to therapy, is not conditioned on signing this authorization. I (or my parent/guardian/legal representative) understand that revoking this authorization will not affect the ability to use and disclose PHI received prior to receipt of notification that I (or my parent/guardian/legal representative) wish to discontinue my participation in the program. I (or my parent/guardian/legal representative) understand that I (or my parent/guardian/legal representative) may revoke this authorization at any time verbally at 833-NSSUPRT (833-677-8778) or in writing to Support at PO Box 29203, Phoenix, 85038-9203. Once authorization has been revoked or expired, I (or my parent/guardian/legal representative) understand that my future PHI will not be disclosed. I (or my parent/guardian/legal representative) understand that my PHI will not be used or disclosed for any other purposes, unless permitted by law, than for the purposes stated above. Information disclosed pursuant to this authorization or provided to a third-party may no longer be protected by federal privacy laws. I (or my parent/guardian/legal representative) understand that I (or my parent/guardian/legal representative) have a right to receive a copy of this authorization.

Cancelling this authorization

A copy of this authorization will be as valid as the original. Cancelling this authorization will not affect the ability of Pharma to use and disclose Protected Health Information that it has received prior to receipt of the cancellation of my (or my parent/guardian/legal representative's) authorization. My (or my parent/guardian/legal representative's) authorization will also end if Support is discontinued. Furthermore, I (or my parent/guardian/legal representative) understand that I (or my parent/guardian/legal representative) have the right to see or copy the Protected Health Information the patient's Healthcare Providers or Insurers have given to Pharma.
